## 2018-2019

An anti-sexual harassment program was conducted on June 17, 2018, under the guidance and leadership of our Principal, Dr. K. Rajab Fathima. The primary objective of the program was to raise awareness about the anti-sexual harassment and to foster a safe and respectful environment for all students. Dr.S.Sabreen Muneer, Head of the Language department, Tamil shared her valuable insights about the psychological and emotional impact of harassment on victims, as well as the legal consequences for perpetrators.

The program proved to be highly effective in raising awareness among students. The event encouraged an open dialogue about the issue, clarified doubts, and ensured that all attendees were well-informed about the institution's commitment to educate knowledge about the anti-sexual harassment.
