The Eco Club of Annai Hajira Women's College, Melapalayam celebrated 143th World Earth Day on 23rd April, 2022.

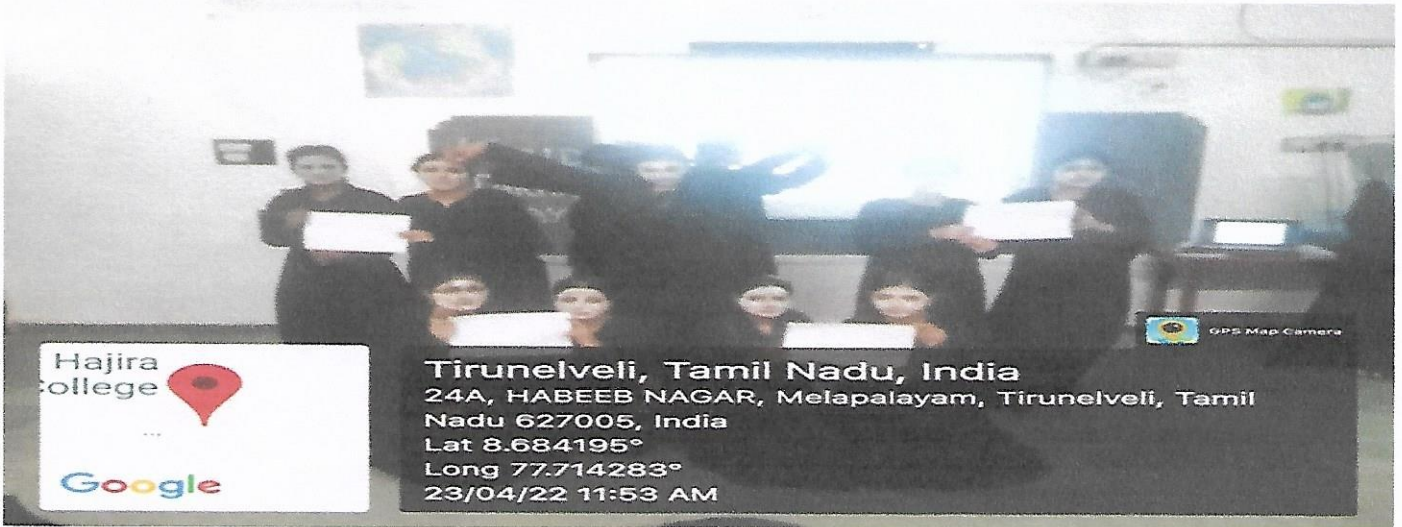

Dr. S. Ananthalakshmi, Head of the Department of Mathematics welcomed the special guests and delivered the presidential address.

The Keynote address for the event was given by Dr. S. Uma, Associate Professor of Tamil. The students of various departments of our college participated in a number of programs.

A drama conveying the message of saving the planet was enacted by the students of various departments.

I B.Sc Mathematics students presented a Mime on the theme of saving trees.

Jamilathul Firose from the final year Mathematics presented a paper on the topic of eco-system and Rashika from the final year Chemistry presented a paper on the topic, Invest in Our Planet.

The III YEAR Mathematics students presented words of famous people regarding World Earth Day. Many students spoke on the visionary dream of keeping the nature intact.

A resolution was taken by the students. They pledged not to use plastics and to plant more trees in the future.

The staff and the students planted saplings. The main objective of this programme was to create an environmental awareness among the students and the society. Various activities that were conducted would have certainly kindled the interests of the students in preserving the environment.
