## Environmental Development Programme

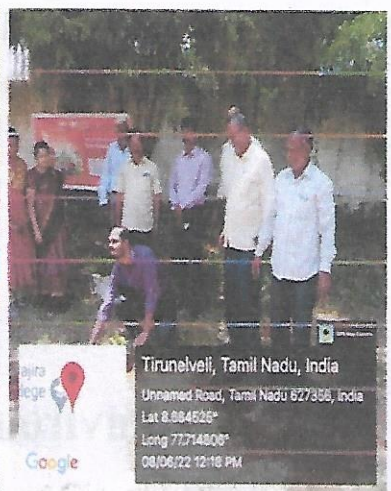

### Event Summary:

<b>Name of the event</b>	<b>: Environmental Development Programme</b>
<b>Place of the event</b>	<b>: College Campus, AHWC</b>
<b>Date of the event</b>	<b>: 08.06.2022</b>
<b>Time</b>	<b>: 11.00 a.m.</b>
<b>Participants</b>	<b>: Bank of Baroda Staffs and AHWC College staffs</b>

"Environmental Development Program" refers to various initiatives aimed at addressing environmental challenges and promoting sustainable development. Such programs generally focus on improving environmental quality, conserving natural resources, and promoting a balance between economic development and environmental protection.

Bank of Baroda is indeed a well-known public sector bank in India. It provides services such as savings and current accounts, loans, credit cards, insurance, investment products, and more. It is involved in various public service initiatives and contributes to social and economic development through its lending and financing activities. It supports sectors such as agriculture, small and medium-sized enterprises (SMEs), education, healthcare, and infrastructure, which are vital for the overall growth of the economy and the well-being of the public. Thus, "Environmental Development Program" organized at Bank of Baroda, Melapalayam and Annai Hajira Women's College, Melapalayam. Bank of Baroda and AHWC College staffs together planted saplings in our college campus on 08.06.2022. And also they decided to plant more saplings in the future.

The program's focus on planting saplings is a commendable step towards addressing environmental challenges and contributing to a greener future. Tree planting initiatives like these have a positive impact on the environment by enhancing biodiversity, improving air quality, conserving soil, and mitigating climate change.

## REPORT ON OZONE DAY

### Event summary:

Name of the event : Ozone Day 2022  
 Date & Time of the event : 16, Sept. 2022(1.30pm to 2.00pm)  
 Venue : II B.Sc., Mathematics (Room No 16)  
 Participants : Dr. S. Anathalakshmi, Mrs. D. Jones Sudha Vijai and Mrs. M. Revathy, I and II year B. Sc., Mathematics Students

The Eco Club of Annai Hajira Women's College, Melapalayam celebrated International Ozone Day on 16<sup>th</sup> September 2022 on the theme, "Global Cooperation to protect Life on Earth".

The main objective of this programme was to create an environmental awareness among the students and the society for protecting the ozone layer. A resolution was taken by the students. They pledged not to use chemical products harmful to the environment and to avoid the consumption of gases dangerous to the ozone layer. The students decided to plant more trees in the future. The staff and the students planted saplings.

World Soil Day 2022

Event Summary:

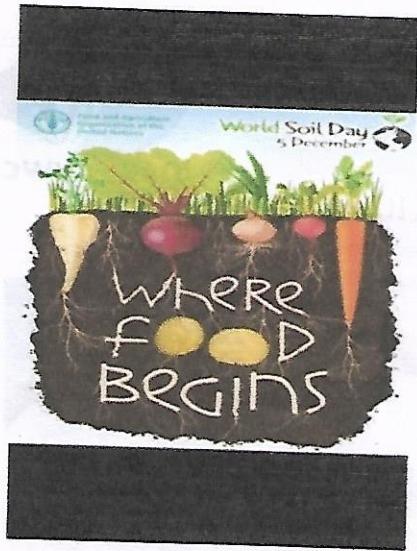

Name of the event	: World Soil Day 2022
Place of the event	: ICT Hall Room No.21
Date of the event	: 05.12.2022
Time	: 1.00 p.m.
Participants	: III B.Sc. Chemistry / Mathematics / Physics & Computer Science Students

World Soil Day is held annually on 5 December as a means to focus attention on the importance of healthy soil and to advocate for the sustainable management of soil resources. The International Union of Soil Sciences (IUSS), in 2002, adopted a resolution proposing that 5<sup>th</sup> December be marked as World Soil Day to celebrate the importance of soil as a critical component of the natural system and as a vital contributor to human well-being. The date of 5<sup>th</sup> December was chosen because it corresponds with the official birthday of the late H.M. King Bhumibol Adulyadej, King of Thailand, who was one of the main proponents of this initiative.

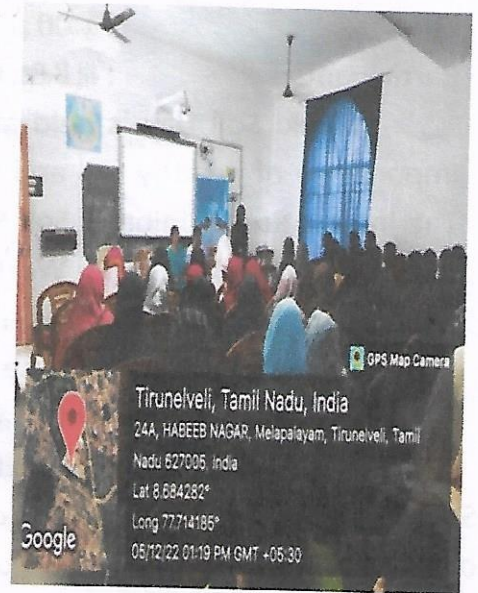

The Eco Club and Internal Quality Assurance jointly celebrated on December 5<sup>th</sup>, the World Soil Day 2022 at 1.00p.m. in Room No.21 of AHWC for the Science Students, with the aim of highlighting the importance of soil as a critical component of the natural system and its contribution to human well-being of the importance of maintaining healthy ecosystems.

The event started with Qirat by Ms. S. Mohamed Kani, III B.Sc.Mathematics and Tamil Thai Vazhthu by Ms.M.Srivalli and Ms.M.AISabana of III B.Sc. Chemistry. Ms. A. Ashifa Sulaikal, III B.Sc.Mathematics welcomed everyone. Dr.S. Sabreen Muneer, HoD, Tamil & IQAC Coordinator gave the felicitation address. She emphasized the important role of students to make the soil healthy. Dr.S. Ananthalakshmi, HoD & Associate Professor of Mathematics gave a special lecture highlighting the topic on "Importance of Healthy Soil"- what are the natural pesticides and fertilizers used for plants growth and how to prepare the organic manure in our home. And also, she explained how to save the natural microorganisms which present in the soil.

The students and staff imbibed within them the spirit of saving the nature. The event successfully ended with vote of thanks by Ummu Aimen S K, III B.Sc.Physics and National Anthem by Mohamed Shathika S, Murshitha Sherin V K A, Muvaffika Fathima M H, III B.Sc. Computer Science

### REPORT ON SAPPLING PLANTATION PROGRAMME

#### Event summary:

Name of the event : Sapling Plantation Programme  
Date of the event : 24.03.2023  
Place of the event : Annai Hajira Women's College, Melapalayam  
Participants : Dr. S. Uma, Dr. S. Ananthalakshmi, Dr. Suganya  
and all Students.

Tree plantation is a process where a large number of trees or seedlings are planted for land reclamation or landscaping. Planting large numbers of trees helps to purify the polluted air that we breathe in. Plants play a big role in our ecosystem by maintaining a balance among all the elements that are present in nature. In this programme, environmental awareness was created among students. On this occasion, the staff and the students of various departments initially donated twenty saplings to the college and they planted saplings in our college garden on 24.03.2023. And also they decided to plant more saplings in the future. The alumna student Dr.R.Sukanya, Assistant Professor, Department of Commerce sponsored an amount of Rs 1300 for purchasing twenty flowering pots to the college.

**SAPLING PLANTATION PROGRAMME -24.03.2023**

Our college Students actively planted in the program. The details are as follows:

Sl. No	Students Name	Class	Sappling Name	Signature
1.	Ashika S	I B.Sc., Chemistry	Henna	<i>Ashika S.</i>
