Bureau of Indian Standards (BIS) is the National Standard Body of India which is responsible for the harmonious development of the activities of standardization, marking and quality certification of goods and for matters connected therewith or incidental thereto. It is an agency of the Indian government established in 1987 to devise uniform standards of quality for broad categories of manufactured and agricultural goods to perform product testing and to license the use of an official mark to indicate that a product has been certified as conforming to BIS standards.

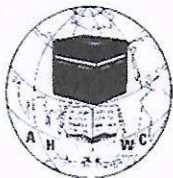

Annai Hajira Women's College has been selected by Bureau of Indian Standards (BIS) to form Standards Club in our college. In this regard, Mr.M.Sivakumar, Standard Promotion Officer, BIS Madurai Branch Office, Madurai had come to our college on 03rd March 2023 and inaugurated the Standards Club. He gave orientation on the BIS Standards club activities. He explained elaborately about the role of Bureau of Indian Standards and the importance of framing Standards Club in schools and Colleges. He gave awareness about the way by which we have to check and buy things commercially sold in the market based on the standards. He has also conducted Quiz programme for the science students and appreciated them by giving cash prizes. The students were motivated well and gained knowledge on BIS and also about the commercially available Standard products.
